

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 30, 1996

SUBJECT: **SB 2211 - HB 2753**

This bill, if enacted, will create an exception to the offense of manufacture, delivery or sale of anabolic steroid when it is a combination of estrogen with anabolic steroid which is intended for treatment of hormone deficient women.

The fiscal impact from enactment of this bill is estimated to be minimal.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
